

Together we have the **POWER** to make a difference

Operation Round Up is a simple way to donate money to worthwhile organizations and programs right here in the Beltrami Electric Cooperative service area.

By rounding up your bill, you will join other members in making a big impact on local community causes.

The average amount a member will pay is \$.50 a month, or \$6 a year. All donations collected for Operation Round Up will be placed into a trust and will be administered by a separate volunteer board of directors, made up of five members from our community. The Trust board is responsible for reviewing applications and dispersing funds to help local not-for-profit organizations and programs in our community. All recipients of your Operation Round Up donations will be published in the *Northern Lights* newsletter and on our website.

Starting in May, your bill will be automatically rounded up, unless you tell us that you choose not to participate in this voluntary program. If you wish to decline participation, please see the back of this card for several ways to contact us with your wishes. Either way, thank you for your consideration.

*For the most up-to-date information on Operation Round Up, please visit our website:
